FOOD DEPARTMENT.

G.O.MS.NO.416. DATED 12-5-1949.

Read: From the Director of Agriculture No.E.R1/113-49 dated 17-3-49.

O R D E R:

The Government have carefully considered the scheme proposed by the Director of Agriculture for encouraging the cultivation of sweet potatoes during the months of April and May of a subsidy of Rs.20/- per acre to the ryots who cultivated sweet potatoes during months. As the Director of Agriculture is aware, the Government of India, are, as a part of their programme to attain self sufficiency in food production by the end of the year 1951, already formulating a comprehensive scheme on an all India basis, under which the increased production of the subsidiary food stuffs including sweet potates through out the Province is contemplated. In view of this, the Government consider that there is no need for launching a separate scheme like the one proposed by the Director of Agriculture.
